## Invitation to Chrysler Dealer:

The Chrysler 300M Enthusiasts Club was formed to promote ownership and enjoyment of the 300M. The Club invites you to become a participating dealer by offering a 10% discount on customer-pay parts, service, and/or accessories to members of the Club. In exchange, the Club will list you on its web site, thereby encouraging Club members in your area to use your dealership for all of their parts and service needs. Links to your web site and e-mail address will also be provided on our site.

If you choose to become a participating dealer, our members will be required to present their membership cards when the service write-up is done, and the 10% discount cannot be combined with any other offer or discount. The discounts are limited to the 300M owned by the member. A sample of our membership card is shown at the right.

Please visit our web site at [www.300mclub.org](http://www.300mclub.org) for more information about our not-for-profit Club.

We hope you will also inform prospective buyers of 300M's at your dealership about the Club, as we believe that the information we provide and our enthusiasm for this truly outstanding automobile may help you make a sale and increase buyer satisfaction after the sale.

If you wish to become a participating dealer, please fill out the form below, and then either mail it back to the Club or return it to the Club member who presented this invitation to you so that the Club member can mail it back to the Club. Thanks! We look forward to a mutually beneficial relationship!
