Dear Sirs,

Please allow me to introduce you to the Chrysler 300M Enthusiasts Club. We are a car club for owners of the Chrysler 300M. We are a "sister" club to the Dodge Intrepid car club (DodgeIntrepid.net) that Kyle Meyer belonged to. While Kyle was not a member of our club, he was a cherished member of our extended family of Chrysler and Dodge car hobbyists.

When we heard that Kyle had been involved in a serious accident, we were all pulling for him. We were tremendously saddened when we heard of his unfortunate passing.

We try to donate to worthwhile causes when we are able, thanks to the overwhelming generosity of our many loyal members. We put out the call to our members, and we are pleased to be able to donate the amount of \$260.00 to the Kyle Meyer Memorial Automotive Scholarship Fund. This represents donations from a number of members as well as from the club itself.

Please find our check in the amount of \$260.00 enclosed. We would appreciate the courtesy of a brief letter of acknowledgment for the donation for our permanent records.

With sincerest condolences to Kyle's family, friends, and loved ones from all our members, including the following Officers and Directors:

*Tim Steward, President, from Pennsylvania
Robert Day, Vice-President, from New Jersey
Craig Campfield, Secretary, from Ohio
Paulette Waters, Treasurer, from Nevada
John Benjamin, Director, from Indiana
Alan Wittstein, Director, from Connecticut
Roger Waters, Director, from Nevada*

Sincerely,

Tim Steward, President
