Ms. Linda Junkins
President
Tails of Hope Sanctuary
P.O. Box 875
Mount Airy, MD 21771

Dear Linda,

As you know, ever since Honey came into our lives over two years ago, Chérie and I have admired Tails of Hope, what it stands for, and all that you have accomplished. Our personal support remains unwavering, and we spread the word about Tails of Hope whenever we can.

It seems to have worked! This year, the Board of Directors of the Chrysler 300M Enthusiasts Club, looking for worthy causes to support, decided to support one charity that helps children and one that helps animals. Tails of Hope was our pick to help animals because of the incredible dedication of you, and many other volunteers, to saving as many animals as possible who are otherwise near the end. The fact that you touch the lives and hearts of all different kinds of animals was a strong motivator as well.

Linda, I am very pleased to enclose a check for \$500 from our organization. It is our sincere hope that this will make a difference and save some animals who need help that Tails of Hope can provide.

We send this with great fondness, best wishes for a great future, and thanks for all you do for God's creatures.

Sincerely,

Kenneth M. Eyler, President
