Dear Ken and Chrysler Club members:

On behalf of the volunteers and Board of Directors of **Tails of Hope Sanctuary**, thank you for your generous support of this organization. Your donation is greatly appreciated and will be used to help even more animals in need.

To date, we have helped a record 1524 animals. Tails of Hope placed these dogs, cats, and other companion animals in forever homes, and provided lifesaving medical or behavioral interventions for many. In addition, Tails of Hope offers ongoing support for our animals and adopters long after the adoption process is completed. Your kindness and your donations help us to continue the lifesaving rescue work of Tails of Hope.

Please use this document as a tax receipt for your recent donation, which is described below. If you have questions about this receipt, please contact us at 410-549-4760.

Sincerely,

Linda Junkins
Executive Director
