Dear Bob,

On behalf of Victory Junction and the children who benefit from your generous donation of \$200.00, thank you for keeping Adam's dream alive! Your gifts help fulfill the mission of enriching the lives of children with chronic medical conditions or serious illnesses by providing life-changing camping experiences that are exciting, fun, and empowering, in a safe and medically-sound environment.

In 2010, your contribution of \$500.00 helped create camping experiences for more than 1,014 special needs children. A recent camper left a note behind marking her firsts: "rode a horse and kissed a fish, I also sat in a race car"! We are particularly grateful for each and every child and family who have been empowered by attending camp.

As summer approaches, our excitement is building. Campers sponsored by your gifts will again feel their hearts race. In addition to your gracious donation, we welcome you to enhance your relationship with us by volunteering for a week or weekend. Volunteering allows you to gain a deeper understanding of our mission and the joy children experience while here. To keep in touch with activities taking place at camp, please visit www.victoryjunction.org.

Victory Junction is proud and humbled by the support and hard work of all who have made Adam's dream a reality. Because of your generosity, Victory Junction has touched the lives of more than 14,676 children and families. Thank you for making our hearts race!

Many Blessings,

Kyle and Pattie Petty
