Dear Mr. Steward and Members of the 300M Club,

On behalf of the patients and staff of Unit 1-E, I wish to take the opportunity to thank you for the very generous gift you gave the patients for Christmas. . It's particularly heartwarming that we received a donation from a group that doesn't even know our patients.

With the money you donated we were able to purchase Art Kits for the girls to continue to express themselves creatively, drawing pads, word find books, journals, decks of cards, slipper socks, calendars, gloves, and hygiene items.

Our patients come from all walks of life. It's very sad that some of them come to us in hospital gowns with little or no personal belongings. It's hard to imagine that some can carry all of their belongings in one large black plastic bag as they get moved from one place to another.

To be able to give them such a beautiful presents on Christmas morning was a special moments for the Staff. I can't thank you enough for being there for them. Please know that you made this Christmas a lot nicer than some have probably ever been in the past.

Again we thank you for your kindness.

Sincerely,

Erika E Wilmoth, RNC  
Unit Manager
