

Membership Benefits

CAMARADERIE: The Chrysler 300M Enthusiasts Club is the only club of its kind devoted exclusively to the owners and potential owners of the Chrysler 300Ms and other LH Platform vehicles. Sure, there ARE other Internet forums and Internet owners clubs dedicated to 300M owners, but we ARE and will continue to be more than just an Internet forum. We maintain a strict code of family friendly decorum, so ladies and children may feel free to join in (and they do) with the assurance that they will be treated with courtesy and respect.

INFORMATION: Our web site contains links to many important information sources, from parts and accessories retailers to the NHTSB Service Bulletin database. Many of our members have modified their cars, both to enhance performance and to personalize them to their own taste. You will have immediate access to detailed information on doing any of these modifications to your 300M.

MAINTENANCE & REPAIR TIPS: It is not easy maintaining a vehicle that ended production in 2004. On our forum our members have amassed a treasure trove of knowledge, good and accurate repair and maintenance practices to keep your "M" alive and well. Many step by step "How To" topics with pictures to help guide even the novice thru DIY tasks. Our knowledgebase is extensive and offers access to experts in maintenance, modification and everything in between.

MEETS & EVENTS: We hold regional and national meets where members can meet, socialize, and celebrate together.

CLUB LOGO MERCHANDISE: We have exclusive club logo merchandise (patches, caps, apparel, etc.) available for purchase by club members only.

RIDE OF THE MONTH: The Ride of the Month contest is open to any paying member of the club and aims at showcasing some of the finest cars in the club. Each month four members' cars are posted in a poll allowing other members to cast their vote for their favorite. At the end of the voting period the winner is announced and they get to be featured in the club calendar for the following year.

FREE ONLINE PHOTO STORAGE: Each paying member of the club is given their own online folder to store pictures of their car. The club uses Fotki for photo storage and the members can upload their own photos whenever they want.
